Dear Clerk of Court,

I am currently working on a Petition For Writ Of Habeas Corpus Pursuant To 28 U.S.C. § 2254. I understand I have one year to the date of the decision of the Wisconsin Supreme Court to file such Habeas Corpus. To my understanding my deadline is November 16 2023. At this time I am requesting an extension of time to file my Habeas Corpus for the following reasons :

1) I have been unable to obtain legal council, therefore relying on other prisoners for legal advice, which too is complicated because they being State of Washington inmates, are

versed in Washington law and procedures.

2) I am currently in the process of obtaining Wisconsin Statute book / Wisconsin law books.

The inmate law library in Washington State does not provide access to Wisconsin Law.

3) I am still waiting for the return of information in the form of a public records request, which will be exculpatory evidence on my behalf.

4) Being housed in Washington State Department of Corrections has overall presented a logistical issue making it difficult to correspond with family and other advocates in order to put together all necessary information I wish to present in the Habeas Corpus.

5) I have most, but not all the documents needed to accompany my Supporting memorandum.

For the reasons stated above, I ask the court to extend the time to file the Habeas Corpus for 90 days to February 16 2024.

Thank you for your time and consideration  
in this matter.

Respectfully,

ALEX WOUTS
